

2015 Maine Camp Directory

There's More to Maine

Dear Friends,

How lucky we are to live in Maine and be able to enjoy all the wonderful resources that are here at our fingertips. From the heights of Katahdin to the sparkling waters of our craggy coast, the opportunities to explore, discover, and learn from and about the splendors of our world are easily accessible; and every child should be so lucky to experience the beauty and wonder of what Maine has to offer.

Maine has always been a place where children's camps have thrived. Today, some of the world's greatest (and oldest) camps exist in Maine. Camp is still a lot of fun and it is also more than just fun. Camp is a place where children learn, grow, create deep and lasting friendships, and gain skills and experience that help them prepare for successful and happy lives as adults. Camp is a place to experience the wonders of our natural world while taking cues from world class role models. Camp is a unique experience set amidst some of the most beautiful places on earth.

Some of the best and respected camps are listed within these pages. Please take the time to carefully consider them and see which ones would best fit your child's personality and the goals you have for them. Whichever program you choose, the experience they will have will probably be life changing, open up opportunities and enable friendships that they will carry throughout their life.

Sincerely,
Andy Lillenthal
President, Maine Summer Camps

CAMPS BY SESSION LENGTH

Please note: Camps offering less than full season sessions sometimes allow attendance for multiple sessions. Camps that offer only trip camping are noted as "TRIP", however, many camps offer extensive tripping programs during their residential season. Check individual camp listings for full program offerings.

WHY A MAINE SUMMER CAMP?

There's no place quite like Maine

For more than 100 years, families have come to appreciate Maine's summer camps as a haven for kids to experience natural beauty and old-fashioned values.

Maine is more than a place—it's a feeling you get as soon as you arrive. Suddenly, the air's a little fresher, the pines taller, the lakes clearer. You can hear the essence of Maine in the cry of a loon, taste it in a fresh-caught trout, and watch the sun rise a little earlier in Maine than anywhere else in America. Fact is, there's more of Maine, and more to Maine than the rest of New England combined: deeper forests, bigger lakes, more rugged mountains, longer rivers and more than 200 miles of coastline.

Taking fun seriously

Maine Summer Camps reflect all the possibilities of Maine. They can be as traditional as a canoe trip and as futuristic as rocketry. Among our more than 100 member camps, many help develop skills in sports and outdoor adventure; some teach a musical instrument; others may inspire kids to plant the seeds of the next forest.

Whether public or private, all Maine camp directors take a highly professional approach to their job. They work to foster growth and instill the timeless values of teamwork, responsibility and mutual respect, while always putting your child's well-being first. That means carefully screening and training counselors, inspecting and repairing facilities, and accommodating the varying needs of children. You'll be glad to learn that Maine was the first state to inspect youth camps for health and safety, and the first to certify Trip Leaders.

Helping kids reach their full potential

Our high-tech lifestyle gives kids today opportunities never dreamed of before. But many kids miss out on some of the most important ingredients in becoming healthy adults: connection to nature; exercise and play; meaningful friendships and positive adult role models.

Time spent at a Maine Summer Camp can restore balance to your children's overscheduled days, teach life-long skills and allow friendships to flourish. It can help build a foundation for a successful and happy life. Here are the key benefits to kids of summer camp:

◆ Community and Friendship

Facebook friends are nice but they're no substitute for real friends and mentors. At Maine Summer Camps, kids make lifetime friends grounded in the experience of living together and caring for each other in many ways. They learn social rules, acceptable behavior and leadership. And the positive role models kids find in their adult counselors can have a lasting impact on their lives.

◆ Nature

Kids have fewer and fewer opportunities to be outdoors. As Richard Louv makes clear in his bestseller, *Last Child in the Woods: Saving our Children from Nature Deficit Disorder*, nature must be experienced to be fully appreciated. Living in a natural setting is a defining experience of summer camp—especially in Maine.

◆ Exercise

Maine Summer Camps offer a range of activities that foster enjoyment of physical activity and counteract the effects of too much sitting and eating in our society today. It's a lot easier to get motivated to be active when exciting, new activities available in Maine's beautiful outdoors are right at your doorstep...!

◆ Activities and Play

Maine Summer Camps offer wonderful structured activities to meet your child's individual interests, with ample time for kids to just be kids—to engage spontaneously in games, free play, discussions and plain old hanging out with each other.

◆ Learning

Maine camps provide kids with different kinds of learning from schools: they're more actively involved and more experientially engaged. Recent research has shown that 95% of science is learned outside the classroom.

◆ Developing Initiative, Confidence and Leadership Skills

Summer camps are a microcosm of the larger world. They are highly participatory communities where children can safely gain confidence and stretch their evolving capacities for leadership and initiative. Often for the first time, kids experience caring adults outside their family and meet peers from outside their circle of friends. In short, a Maine Summer Camp experience can be the opportunity of a lifetime for your children: a concentrated period of growing and learning, personal development and new friendships—along with the priceless gift of discovering of Maine's unparalleled natural beauty.

For more about the benefits of camp to your kids, please visit our website at: www.maine camps.org. Here you'll find links to camps, informative articles and a convenient on-line tool to narrow down your search for your child's camp.

Parents and siblings: enjoy a real Maine vacation!

Why should the kids have all the fun? Combine your visit to your children at camp with your next vacation, and discover all that Maine has to offer, from quaint seaside villages to mountains, lakes and rivers, to shopping and summer stock theater. To plan your Maine visit, check out the Parents Resource section of our website at www.maine camps.org. Here you will find links to accommodations, restaurants, attractions, excursions, and even Maine magazines to help plan your summer vacation. You can also find helpful vacation information at www.maine tourism.com.

NOTE: MSC does not take responsibility for the accuracy of the information in this booklet. For recent updates and more information, visit www.maine camps.org

“...a few weeks spent in a well organized summer camp may be of more value educationally than a whole year of formal school work.”

Providing legal solutions for children's camps...

Jack Erler

Jack Erler; legal counsel for Maine children's camps and general counsel, legislative agent and government relation for MYCA for more than 30 years. jerler@curtisthaxter.com

Other firm resources include:

John Gleason chairs the firm's Employment Law Practice Groups. He counsels businesses on a variety of employment matters.

Pete Thaxter chairs the firm's Estate Planning, Trusts and Probate Practice Group. He works with family businesses to help them be successful from one generation to the next.

David Silk is a member of the firm's Litigation and Administrative Law Practice Group. He practices before municipal and state agencies on land use, zoning, and environmental matters, and property tax issues.

Chris Chandler is a member of the firm's Real Estate and General Business, Corporate and Finance Practice Groups. He works to find solutions for businesses of all sizes.
