

2020 Maine Camp Directory Real Kids. Real Camps. Real Maine.

Dear Friends,

The abundance of natural resources in Maine, such as its diverse forests, its many lakes, its hilly and mountainous countryside and its coastal regions makes it the obvious choice for summer camps. Maine has a rich extensive history hosting hundreds of campers over generations.

In current times, with the increase in technology and personal handheld devices which has contributed to our disconnect to nature and face-to-face communication, I believe having youth attend a summer camp is more important than ever. Maine summer camps provide this important opportunity for children to connect with Maine's natural abundant resources, learn valuable lifelong skills and personally connect with each other.

I hope the Maine Summer Camp listings provided in this book allow you to find the summer camp for your child that will truly and positively impact them for life. You will also find on the Maine Summer Camp website (www.maine camps.org) a search engine tool to “find a camp”. If you need any further assistance in choosing the best Maine camp for your child, please do not hesitate to call Maine Summer Camps office and request to speak

to someone personally.

Sincerely,

Maine Summer Camps / Maine Youth Camping Foundation

WHY A MAINE SUMMER CAMP?

There's no place quite like Maine

For more than 100 years, families have come to appreciate Maine's summer camps as a haven for kids to experience natural beauty and old-fashioned values.

Maine is more than a place—it's a feeling you get as soon as you arrive. Suddenly, the air's a little fresher, the pines taller, the lakes clearer. You can hear the essence of Maine in the cry of a loon, taste it in a fresh-caught trout, and watch the sun rise a little earlier in Maine than anywhere else in America. Fact is, there's more of Maine, and more to Maine, than the rest of New England combined: deeper forests, bigger lakes, more rugged mountains, longer rivers and more than 3000 miles of shoreline.

Taking fun seriously

Maine Summer Camps reflect all the possibilities of Maine. They can be as traditional as a canoe trip and as futuristic as rocketry. Among our more than 125 member camps, many help develop skills in sports and outdoor adventure; some teach a musical instrument, others may inspire kids to plant the seeds of the next forest.

Whether operating public or private camps, all Maine camp directors take a highly professional approach to their jobs. They work to foster growth and instill the timeless values of teamwork, responsibility and mutual respect, while always putting your child's well-being first. That means carefully screening and training counselors, inspecting and repairing facilities, and accommodating the varying needs of children. You'll be glad to learn that Maine was the first state to inspect youth camps for health and safety, and the first to certify Trip Leaders.

Helping kids reach their full potential

Our high-tech lifestyle gives kids today opportunities never dreamed of before. But many kids miss out on some of the most important ingredients in becoming healthy adults: connection to nature; exercise and play; meaningful friendships; and positive adult role models.

Time spent at a Maine Summer Camp can restore balance to your children's over-scheduled days, teach lifelong skills and allow friendships to flourish. It can help build a foundation for a successful and happy life. Here are the key benefits to kids of summer camp:

♦ Community and Friendship

Facebook friends are nice but they're no substitute for real friends and mentors. At Maine Summer Camps, kids make lifetime friends grounded in the experience of living together and caring for each other in many ways. They learn social rules, acceptable behavior and leadership. And the positive role models kids find in their adult counselors can have a lasting impact on their lives.

◆ Nature

Kids have fewer and fewer opportunities to be outdoors. As Richard Louv makes clear in his bestseller, *Last Child in the Woods: Saving our Children from Nature Deficit Disorder*, nature must be experienced to be fully appreciated. Living in a natural setting is a defining experience of summer camp—especially in Maine.

◆ Exercise

Maine Summer Camps offer a range of activities that foster enjoyment of physical activity and counteract the effects of too much sitting and eating in our society today. It's a lot easier to get motivated to be active when exciting, new activities available in Maine's beautiful outdoors are right at your doorstep!

◆ Activities and Play

Maine Summer Camps offer wonderful structured activities to meet your child's individual interests, with ample time for kids to just be kids—to engage spontaneously in games, free play, discussions and plain old hanging out with each other.

◆ Learning

Maine camps provide kids with different kinds of learning from schools: they're more actively involved and more experientially engaged. Recent research has shown that 95 percent of science is learned outside the classroom.

◆ Developing Initiative, Confidence and Leadership Skills

Summer camps are a microcosm of the larger world. They are highly participatory communities where children can safely gain confidence and stretch their evolving capacities for leadership and initiative. Often for the first time, kids experience caring adults outside their families and meet peers from outside their circle of friends. In short, a Maine Summer Camp experience can be the opportunity of a lifetime for your children: a concentrated period of growing and learning, personal development and new friendships—along with the priceless gift of discovering Maine's unparalleled natural beauty.

Parents and Siblings: Enjoy a Real Maine vacation!

Why should the kids have all the fun? Combine your visit to your children at camp with your next vacation, and discover all that Maine has to offer, from quaint seaside villages to mountains, lakes and rivers, to shopping and summer stock theater. To plan your Maine visit, check out the Parents Resource section of our website at **www.maine camps.org**.
