

FIGHT THE BITE

U.S. TICK-BORNE + LYME DISEASE INITIATIVE

X

A FREE, research-based education program to address ticks, tick bites, and tick-borne conditions in summer programs. 

This Summer, Don't Let Ticks Tag Along

You are invited to participate in **Fight the Bite 2026** at no cost to you or your US based camp. All resources and education will be provided to enrolled participating programs.

Education & Training: Onboard summer staff in minutes with grab-and-go training that sticks, so that ticks don't. 

Camp Ready Routines: Practical tick-check skills that work in real camp environments.

Summer Support: Every enrolled camp is connected with a dedicated Tick Care Coordinator to support your Fight the Bite success.
